

Coombe Wood Football Academy - in association with Volenti Academy

THE ACADEMY

The Coombe Wood Football Academy will give aspiring young male and female players the opportunity to combine their academic studies with a first class football programme. The coaching will be delivered under the leadership of Volenti Academy's highly respected ex-professional player, Bobby Bowry, and highly respected youth and women's coach Charlie McCarthy. Each training session will be designed to improve players' all round game and offers a true insight into the professional football environment.

Our teams will play under the Crystal Palace FC banner and will compete in the National Football Youth League (NFYL).

Bobby Bowry

Had a successful professional playing career that lasted over 15 years and the majority of his 400 appearances were for Crystal Palace, Millwall and Colchester. Enormously well respected and with contacts throughout the game, Bobby is ideally positioned to provide advice and support on a wide range of on and off field issues and revels in his role as a player mentor.

Charlie McCarthy

An experienced semiprofessional footballer who also has a great coaching CV within the women's game. Having coached a number of professional women's football teams such as Millwall Lionesses and Lewes FC Women and having also worked with players at international level, Charlie has become a well respected coach within a growing industry. He is the perfect role model and leader to help young, aspiring footballers reach their full potential and guide them along successful pathways based upon his own knowledge and experiences and his extensive network of contacts within girls' and women's football.

COOMBE WOOD SCHOOL

Coombe Wood Sixth Form will prioritise your aspirations as a 'Student Athlete' and ensure we give you the wrap around care required to study smart and play hard when discovering and reaching your personal best in your chosen sporting discipline."

HOW IT WORKS

Student athletes join the Academy in year 12 and embark on a two year full time football and education programme

The training schedule gives players 6-8 hours of elite level training per week.

League, Cup or friendly showcase matches are scheduled on a Wednesday afternoon

Student Athletes are given a first class education from Coombe Wood School. A range of A-Level subjects and a BTEC Level 3 in Sports Performance are available for students to choose alongside targeted pastoral care which nurtures your development as a future leader.

After two years with the Academy, we help Student athletes follow a pathway to UK universities, US colleges, employment or professional football 2 YEARS FULL TIME 6-8 HRS ELITE TRAINING FIRST CLASS EDUCATION A-LEVELS / BTEC PLAYER PATHWAY

ARE YOU READY TO RAISE YOUR GAME?

If you are willing to work hard and fully commit to the programme, then we guarantee that our elite level coaching will help you raise your game to a new level.

KWAME POKU

First team player at Colchester United

Kwame joined Volenti Academy in 2016, as a fifteen year old. After finishing his GCSEs, he joined our Football & Education programme. Our agency division then recommended him to Colchester United for whom he signed as a professional. Kwame made his first team debut after only two months at the club, signed an improved contract three months later and has already played against Manchester United and Spurs.

Former International Footballer and Captain of Chelsea FC Women

Kylie completed a two year BTEC Diploma in Sport at Kingston college while playing for Fulham FC Ladies. At the age of 18, she moved to Chelsea FC Ladies where she captained the team for 3 consecutive seasons. During her career, Kylie made 52 full apprentices for the Welsh national team and was voted Welsh Women's Footballer of the year in 2015. Kylie now uses her vast experience in Women's football to support the Coombe Football Academy by acting as a coach and player mentor fo female players coming through the Academy programme.

ALEX PUGH

Student athlete at University of Houston-Victoria, Texas

Alex originally joined the Academy as a fifteen year old and later moved onto our two year under 19 Football & Education programme. He was then awarded a place at Houston-Victoria University in Texas. His team has already won the league and Alex is loving the opportunity to continue playing whilst studying for his degree and
