LONDON NAUTICAL FOOTBALL ACADEMY

London Nautical Football Academy - in association with Volenti Academy

A WINNING TEAM

FOOTBALL & EDUCATION

THE ACADEMY

The Academy gives aspiring young players' the opportunity to combine their academic studies with a first class football programme.

The coaching is delivered under the leadership of Volenti Academy's highly respected ex-professional players Bobby Bowry and Charlie MacDonald. Each training session is designed to improve players all round game and offers a true insight into the professional football environment.

Our teams play under the Crystal Palace FC banner and compete in the top league of the National Football Youth League (NFYL).

LNS

HEAD COACHES

Bobby Bowry

Had a successful professional playing career that lasted over 15 years and the majority of his 400 appearances were for Crystal Palace, Millwall and Colchester. Enormously well respected and with contacts throughout the game, Bobby is ideally positioned to provide advice and support on a wide range of on and off field issues and revels in his role as a player mentor.

Charlie MacDonald

Having played for nineteen different clubs including Charlton Athletic, Brentford and MK Dons and scoring in excess of two hundred career goals, Charlie is highly regarded amongst players at both professional and semi-professional level. Charlie's knowledge and experience are vital in helping to develop and nurture our young, aspiring players.

700 PROFESSIONAL APPEARANCES BETWEEN BOBBY AND CHARLIE

London Nautical is a Sport Specialist College that has a long and proud history of educating professional sport players. Former pupils include Arsenal player Reiss Nelson and Fulham Goalkeeper Marcus Bettinelli.

The Academy is designed in such a way that players have a full choice of A-level and BTEC qualifications.

HOW IT WORKS

FOOTBALL & EDUCATION

Players join the Academy in year 12 and embark on a **two year full time football** and education programme

The training schedule gives players **6-8 hours of elite level training per week**. League, Cup or friendly showcase matches are scheduled during the day on either a Wednesday or Friday

Players are given a **first class education** from specialist Sport College, the London Nautical School. A full range of A-level and BTEC subjects are available for students to choose from

After two years with the Academy, **we help players follow a pathway** to UK universities, US colleges, employment or professional football

LONDON NAUTICAL SCHOOL

FOOTBALL & EDUCATION

Just 5 minutes' walk from Waterloo station, the School offers a fantastic learning environment for students to study. Students will have access to computers and online learning resources

COLDHARBOUR LEISURE CENTRE

The Academy has exclusive use of Coldharbour Leisure Centre. The centre is used for training, matches and some education classes.

KWAME POKU

First team player at Colchester United

Kwame joined Volenti Academy in 2016, as a fifteen year old. After finishing his two year course in Summer 2019, he joined our Football & Education programme. Our agency division then recommended him to Colchester United for whom he signed as a professional. Kwame made his first team debut after only two months at the club, signed an improved contract three months later and has already played against Manchester United and Spurs.

ALEX PUGH

Student athlete at University of Houston-Victoria, Texas

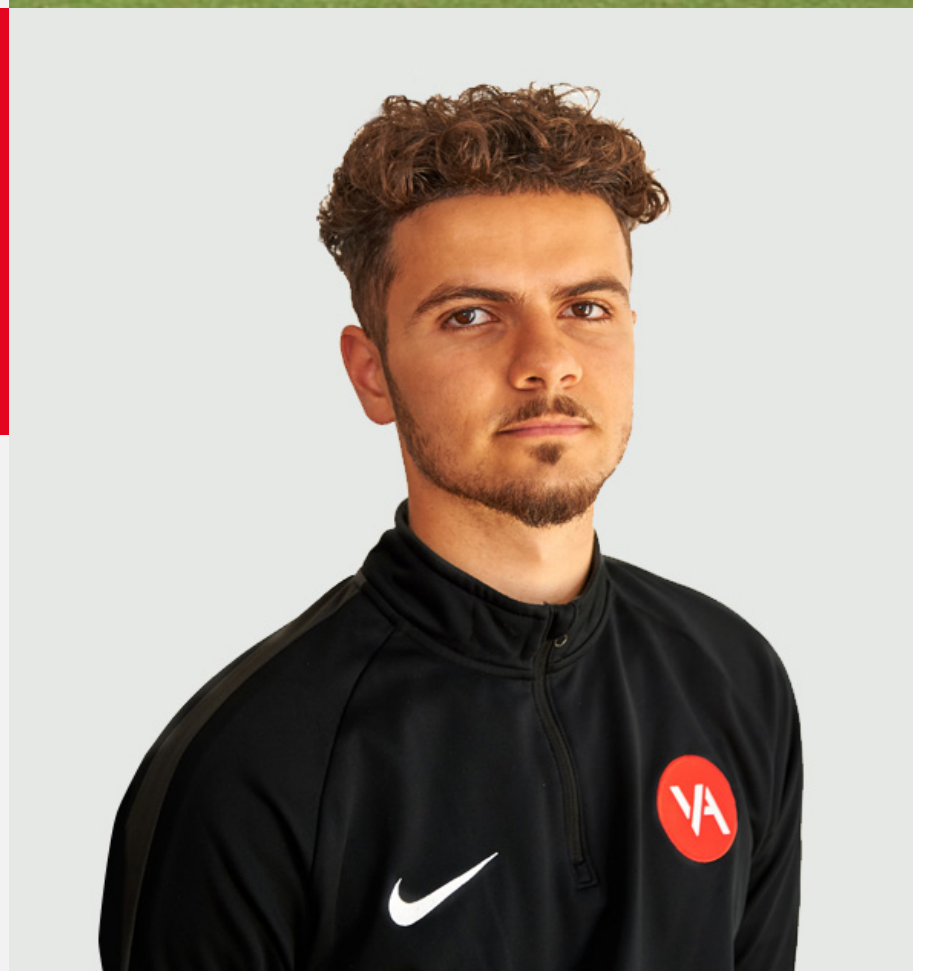

Alex originally joined the Academy as a fifteen year old and later moved onto our two year under 19 Football & Education programme. He was then awarded a place at Houston-Victoria University in Texas. His team has already won the league and Alex is loving the opportunity to continue playing whilst studying for his degree and experiencing a totally new lifestyle.

SETH DAKIN

Full time coach at Volenti Academy

Seth graduated from our programme with a triple distinction and, although he had a number of university offers, chose to stay with us as an apprentice. After an outstanding first year working with players of differing ages and abilities on a variety of projects, Seth joined us on a full-time basis and is now helping to produce the next generation of Volenti Academy players.
